Block Scheduling

I had a meeting with our department heads yesterday. They are going to work with their departments to further develop some of the models presented to them. We have a meeting next week to discuss the schedules and narrow down the choices. The purpose of going to block scheduling is to reduce transitions and to reduce the number of students that come in contact with each other and the employees in one school day. Stay tuned.

RWL Competitive Gym with the redone floor! Looking good OHS! The old gym has also been redone for our PE classes. GO LIONS!

New Lion Additions to our Faculty and Staff

OHS would like to welcome our assistant band director, Alex Busby. Alex has a Bachelor in Music Education from the University of Mary Hardin-Baylor and a Masters in Multiple Woodwind Performance. He served as a graduate assistant teaching music history, woodwind pedagogy, and piano. He interned at elementary, middle, and high schools and is from Texas. He has served as a conductor and received many music awards and scholarships. His performance experience is impressive and varied in different environments globally. I would like to thank the committee, Nancy Diaz, Zach Chowning, Matt Guglielmello, and Dr. Lindsey Williams for their selection of Alex Busby! Excellent job listening to the parents, students, and community on our needs for our band program. Thank you.

OHS would like to welcome Phil Enright to OHS! Coach Enright will be teaching in the PE Department.

Coach Enright will be the assistant Baseball Coach and serve as the on campus baseball contact.

Coach Enright comes to us from Pine Crest Elementary where he was a PE teacher. He has been the assistant baseball coach at LHHS and head baseball coach at New Smyrna Beach High School.
