Part 4. The Oath

I understand that Biotechnology I is a challenging and rigorous course and demands independent work. I agree to do my best by maintaining a positive attitude, using class time effectively, obtaining help before or after school when needed, and completing all course assignments on time. I also understand that regular, consistent attendance is imperative to my mastery of the material and my ability to effectively pass the course. I realize that I will be expected to maintain a professional attitude at all times, keep meticulous records of all work completed in the lab, use equipment properly, and make every effort to maintain the high standards of the Bioscience Program of Emphasis at Oviedo High School.
