Phone: (407) 320-4050
Fax: (407) 320-4000

Our intention at Oviedo High School is to guide our students into courses with the highest amount of rigor for which they are academically prepared. We facilitate this process through our teachers who provide students with recommendations for courses during the registration process. If you would like your student to take a course other than what the teacher recommends please sign this waiver with the knowledge of the following:

ROBERT W. LUNDQUIST
Principal
407-320-4001

- Due to the class size amendment students have very little flexibility to change from one course to another after the start of the school year.
- The student will remain in the course for the entire first semester of the class.
- If the student is struggling in the course administration will review a request to change at the end of the first semester, however, a schedule change is not guaranteed.
