**QUARTER #2 STARTS TODAY! A Message from Dr. Daniel -**

It is hard to believe that quarter one is now over, and we are moving into quarter two. Our teachers have done a phenomenal job teaching both face-to-face and Seminole Connect. As we begin quarter two, I just want to remind everyone that it is even more important for students to wear masks and socially distance especially in closed areas such as classrooms. We did have students return to campus face-to-face which increased classroom attendance. We will remain on three lunches and block schedule. Since the beginning of school, we have had two positive cases and the cases and quarantines are community acquired. This is true for OHS and for most of SCPS meaning we are working diligently to keep our campuses safe for our students and employees.

I also would sincerely like to thank our families during athletic events. Thank you for socially distancing and wearing masks. This has allowed us to continue to play sports and give our students that experience. I attended several senior nights last week, and I really enjoyed celebrating our Class of 2021. Although a different kind of year, we have adjusted. The pictures were amazing and the celebrations special with cupcakes, balloons, signs, and reflections of the last four years as a Lion. I appreciate the parents that support our programs and thank you for always remembering how to celebrate our students.

### **How to get tickets**

This school year all events in Seminole County are **cashless**. The Seminole County & FHSAA online ticketing provider is GoFan ([www.gofan.co](http://www.gofan.co)). All tickets will be purchased through GoFan and redeemed electronically on your smart phone at the gate. Upon purchasing tickets, please make sure you do NOT validate them prior to entering the gate. There will not be paper tickets available at the gate. All Fall athletic events, with the exception of Varsity Football, at Oviedo High School are currently available for purchase in GoFan through this link: <https://gofan.co/app/school/FL1808>. For our home Varsity Football games, tickets for general admission will go live online on Monday at 8:00am the week of the home Varsity Football game. Please note, all venues are at limited capacity with a set number of tickets. Once tickets are sold out, we cannot admit any more fans into the stadium. Tickets for our away games in Seminole County will also be available in GoFan when released by the opponent. For our away games in Orange County, they are only permitting two spectators per student-athlete and providing an allotment of tickets to each school that will be distributed by the coach.

For all athletic events, masks are required by SCPS. The administration has the authority by FHSAA to stop the game and require everyone to wear a mask and wear one appropriately meaning covering the nose and mouth area. Please refer to the guidelines for further details.

For our home Varsity Football games, priority parking in the front lot will be \$5 with those spaces for sale in GoFan the week of the game. This parking pass is not your entry to the game as a ticket will also need to be purchased. Free parking is available in the lot off of the bus ramp and the back parking lot. All proceeds from the priority parking lot will go to paying for the turf field.

#### **How can you help?**

1. If your child is feeling ill or displaying any potential symptoms, please err on the side of caution and keep them home. Every student does have 10 absences that a parent can write a note for making them excused. This is per semester, so you don't have to worry. Also, at home a student can log into eCampus/Canvas and stay up to date on the class material.
2. If your child has recently been tested for COVID-19 due to symptoms or potential exposure, please keep them home until you've received the results of your test and know they are negative.
3. If your student tests positive, please immediately email [Tanya\\_Cameron@scps.k12.fl.us](mailto:Tanya_Cameron@scps.k12.fl.us) or call the school at 407-320-4050.
