Athletics Update from Athletic Director Jen Darty

This school year all events in Seminole County are **cashless**. The Seminole County & FHSAA online ticketing provider is GoFan (www.gofan.co). All tickets will be purchased through GoFan and redeemed electronically on your smart phone at the gate. Upon purchasing tickets, please make sure you do NOT validate them prior to entering the gate. There will not be paper tickets available at the gate. All Fall athletic events, with the exception of Varsity Football, at Oviedo High School are currently available for purchase in GoFan through this link: <https://gofan.co/app/school/FL1808>. For our home Varsity Football games, tickets for general admission will go live online on Monday at 8:00am the week of the home Varsity Football game. Please note, all venues are at limited capacity with a set number of tickets. Once tickets are sold out, we cannot admit any more fans into the stadium. Tickets for our away games in Seminole County will also be available in GoFan when released by the opponent. For our away games in Orange County, they are only permitting two spectators per student-athlete and providing an allotment of tickets to each school that will be distributed by the coach.

For all athletic events, masks are required by SCPS. The administration has the authority by FHSAA to stop the game and require everyone to wear a mask and wear one appropriately meaning covering the nose and mouth area. Please refer to the guidelines for further details.

For our home Varsity Football games, priority parking in the front lot will be \$5 with those spaces for sale in GoFan the week of the game. This parking pass is not your entry to the game as a ticket will also need to be purchased. Free parking is available in the lot off of the bus ramp and the back parking lot. All proceeds from the priority parking lot will go to paying for the turf field.

Photo Information from Yearbook

Photos for underclass grades 9-11 will occur in the RWL gym on **Sept 24 and Sept 25**. These are the photos used for school IDs and yearbook.

Students will be escorted to the gym with their English classes and will continue to obey social distance guidelines. If a student has English 1st period, the English teacher will notify the students what day they have pictures.

One photographer will be located in the foyer of the gym for Seminole Connect and virtual school students. These students will also need to come during their online English classes. The students should wait in a vehicle until the line outside the foyer is short. Cones will be placed at 6 ft distances and when there is a cone open, the student should join the line.

All students must follow the appropriate school dress code and keep their masks on until they are in front of the camera. If students are out of dress code or unmasked, their photo will not be taken.

Purchase envelopes will be distributed the week before the photo dates. Also in this email is a pdf attachment to order photos. These are the only photos that will flow in the yearbook underclass section, so please adhere to the protocols to avoid issues. Contact Ms. Pope with any questions at Alicia.Pope@scps.k12.fl.us

Stop the Spread

How can you help?

1. If your child is feeling ill or displaying any potential symptoms, please err on the side of caution and keep them home. Every student does have 10 absences that a parent can write a note for making them excused. This is per semester, so you don't have to worry. Also, at home a student can log into eCampus/Canvas and stay up to date on the class material.
2. If your child has recently been tested for COVID-19 due to symptoms or potential exposure, please keep them home until you've received the results of your test and know they are negative.
3. If your student tests positive, please immediately email Tanya_Cameron@scps.k12.fl.us or call the school at 407-320-4050.
