FAQs about the Civics Literacy Exam

Does the Exam count towards my grade in any classes?

No, but it is required for you to pass before you can earn an undergraduate degree from any Florida College System School.

How many questions are on the exam?

Approximately 80 multiple choice questions

What if I'm not in my senior US Government class until second semester?

US Government is not a required course to take this exam. The test is not tied to any particular course or curriculum. It is a general knowledge exam about civics.

What if I am fully dual enrolled and not on campus at all?

Still attend and take the exam as it is a requirement to earn an undergraduate degree from a Florida College System School. You will also want to hear about graduation regalia.

Is there a study guide for what is on the exam?

The list of topics covered can be found at the FLDOE website:

For current COVID-19 Information as it relates to your student, please access the SCPS website. <https://www.scps.k12.fl.us/covid19/> This site will change as the guidelines change.

Any questions about COVID-19 and the policies, please contact Ms. Tanya Cameron at 407-320-4008.

SCPS collaborates with the Seminole Department of Health to conduct contact tracing and determine isolation or quarantine length after positive test or exposure to a COVID positive individual. On September 22nd, the Florida Department of Health issued Emergency Rule 64DER21-15, which outlined quarantine updates for students in the school setting. SCPS has adjusted their guidelines in accordance to these rules to be effective immediately. The most updated student isolation and quarantine protocols are outlined below.

<p>Student Tests Positive for COVID-19 or Displays Symptoms Consistent with COVID-19 Student must isolate from school until they satisfy one of the Isolation Return Protocols.</p>	<p>Return From Isolation Protocols:</p> <p>Student can return on Day 11 after symptom onset or on Day 11 after positive test date if no fever for 24 hours and symptoms are improving; OR</p> <p>Student can take a COVID-19 diagnostic test (antigen or PCR) and return to school IF they are asymptomatic AND provide negative test results to the school; OR</p> <p>The student receives written permission to return to school from a medical doctor licensed under chapter 458, Florida Statutes or osteopathic physician licensed under chapter 459, Florida Statutes or a advanced registered nurse practitioner licensed under chapter 464, Florida Statutes</p>
<p>Student is exposed to COVID-19 individual at school or in the community Parents or legal guardians of students who are known to have been in direct contact with an individual who received a positive diagnostic test for COVID-19 may choose either quarantine option.</p> <p>Direct contact is defined as any person within 6 feet of a COVID-19 positive individual cumulatively for 15 minutes or more.</p>	<p>Quarantine Protocols for Asymptomatic Students:</p> <p>Parents/guardians can choose to quarantine student for a period of time not to exceed 7 days from last date of contact with the COVID positive individual. OR</p> <p>Parents/guardians can allow the student to attend school, school sponsored activities, or be on school property so long as the student remains asymptomatic.</p>

If an exposed student develops symptoms during quarantine, they must meet the return to school protocols for symptomatic/COVID positive students.

In addition, anyone currently in quarantine must be allowed to return, if asymptomatic, upon parent request. No testing is required to return back from quarantine.

Are you in 9th-11th Grade and Need to Retake a Class???

We would like to extend an invitation to your student to attend our after-school PLATO program. PLATO is an online, web-based credit recovery system where students can work at their own pace. One .5 credit course could take, at minimum, two weeks to complete dependent upon the entry point in the course (students can place further along in the course rather than in the beginning after completing a pre-test).

This is an opportunity for underclassmen to **recover credit during the school year** a couple days a week.

The next opportunity will be summer school in June 2022.

Save Your Spot Here: <https://forms.gle/oCfbfNE7SDZAA8nN7>

The after-school PLATO program will operate Tuesdays (1-208) and Thursdays (13-211) from 2:30pm to 4:30pm starting August 31st.

*There is **no** transportation, so students will need to coordinate their own way home.

Yearbook Orders - \$70

You can also order your Senior Tribute (Senior ad) and yearbook at www.yearbookforever.com. Spaces and books are limited! Order yours today!

We have the yearbook site ready to go for parents and students to order. You can go to <https://oviedojournalism.com/buy-your-yearbook/> to buy your book, order senior ads, or place a business ad.

Digital IDs for Oviedo High School Students

We are going digital with our student IDs! To download the free App, please see the attached flyer. The digital IDs will be available once we take school pictures. We will be using digital IDs for all students. Usually this becomes important when Homecoming tickets go on sale. Students need an ID to enter the Homecoming Dance. If you don't have a phone, we will get you a hard copy ID. Please email tibbetml@scps.k12.fl.us if you need a hard copy student ID.
