Participation in interscholastic athletic programs by a student is a **privilege**, not a right. Students who participate are required to meet the requirements established in state law, FHSAA regulations, Seminole County Public Schools and Oviedo High School.

TO PLAY SPORTS AT OVIEDO HIGH SCHOOL:

- The student-athlete must be currently enrolled at Oviedo High School or have submitted the correct paperwork as a home-schooled student (EL7) or non-FHSAA member private school student (EL12/EL14) and approved for participation.
- The student-athlete must have a current FHSAA/SCPS Sports Physical (must be on an EL2 Form) on file with our Athletic Department. This form, along with additional documents, must be submitted to www.AthleticClearance.com. Upon submitting all paperwork, you will receive an email stating whether or not you have been cleared. If you are cleared to participate, the coach of the sport you elected to participate in is automatically notified of your clearance. A student-athlete is not eligible to participate in any athletic event, this includes any conditioning, workouts, practices, or games, until he or she has been cleared through www.AthleticClearance.com.
- The student-athlete must have a cumulative unweighted GPA of a 2.0 or higher at the conclusion of each semester to be academically eligible during the next semester.
- The student-athlete must be a US Citizen or have received clearance to participate as an International student by the Athletic Office.
