

Accelerated Reader  
Test List Report

OHS encourages teachers to implement independent reading to suit their curriculum. Accelerated Reader quizzes/books include a wide range of reading levels and subject matter. Some books may contain mature subject matter and/or strong language. If a student finds a book objectionable/uncomfortable he or she should choose another book.

| Test Number | Book Title                       | Author             | Reading Level | Point Value |
|-------------|----------------------------------|--------------------|---------------|-------------|
