The Snapshot Survey is now open for parents to fill out and give feedback to OHS. Results from this survey will help us to improve our school and will be used to create a more transparent school report card called the Snapshot Report. The Snapshot Report features a snapshot of parent and student perceptions as well as other critical data points.

Parents, please assist us by participating in this very short survey that will allow you to provide input in your own words about Oviedo High School. The survey will ask how likely you are to recommend our school to others and will provide an opportunity for you to tell us about your experience.

Please click on the link to access the survey. [2020-2021 Parent Snapshot Link](#)

All responses are collected anonymously and no personally identifiable information will be included as a part of the survey. The survey will be open through April 25th.

Summer School this year will be face to face at OHS. The summer school principal is Assistant Principal, Nancy Diaz. Ms. Diaz has been communicating via School Messenger. If you have questions, please email her at Nancy_Diaz@scps.k12.fl.us.

How can you help?

1. If your child is feeling ill or displaying any potential symptoms, please err on the side of caution and keep them home. Every student does have 10 absences that a parent can write a note for making them excused. This is per semester, so you don't have to worry. Also, at home a student can log into eCampus/Canvas and stay up to date on the class material.
2. If your child has recently been tested for COVID-19 due to symptoms, has symptoms, or potential exposure, please contact Tanya Cameron at 407-320-4008.
3. If your student tests positive, please immediately contact Tanya Cameron at 407-320-4008 or call the school at 407-320-4050.
